

Safety Committee Minutes – February 6, 2014

Attendance: Betsy Oulton, Erich Hysler, Chief David O'Brien, Steve Stilphen, Maryann Place, Lt. Russ French, Janice Grady, Lance Lemieux from MMA

-Discussed having the Safety Committee provide safety tips each month in the new town newsletter. The group will provide them next month.

-MSDS/SDS Compliance 2015 – Lance recommended that we contact Scarborough, as they have started their preparations for this already. Betsy will e-mail the HR Director for further information.

-Lance Lemieux provided us with our claims data and his concern is making sure the school department has further training/information to avoid some of the claims that have come in during the 2012 and 2013 years. He advised we have gone from .88 rating to .99. He states that we are doing a much better job than in years' past overall and is pleased to see the improvement and the willingness to work toward further improvements. Lance has requested that we send him our 2014 goals as a committee. This will be addressed at our next meeting.

Adjourned – Next Meeting, Thursday morning, March 6, 2014 at 8:00 a.m.
